**CALL
FOR EXPRESSIONS OF INTEREST FOR COLLABORATION
ON THE OCCASION OF THE ITALIAN NATIONAL DAY
FOR THE PREPARATION & SERVING OF ITALIAN DISHES
(2 JUNE 2025)**

The Embassy of Italy in Manama intends to celebrate National Day next June 2 at a venue to be determined. The Embassy intends to seek cooperation from Italian restaurants operating in Bahrain interested in promoting their image by setting up a booth at their own expense at the venue where the National Day will be celebrated, offering guests of the Embassy one or more dishes from the Italian cuisine to be pre-agreed upon with the Embassy.

Restaurants wishing to participate are invited to submit to this Embassy **an expression of interest using the attached form**, indicating the elements useful to identify the proposer to the following email address: commerciale.manama@esteri.it.

This communication, which is circulated more widely through the Embassy's website and social media channels, does not in any way bind the Embassy, which reserves the right to evaluate the expressions of interest received.

In the event of an expression of interest deemed worthy of further investigation, the subject will be contacted by the Embassy, which will not consider any subject whose activities may constitute a source of prejudice or damage to the image – even potential – of the activities of this Embassy or that may prove to be contrary to the general principles of the legal system.

The sole person in charge of the procedure is Dr. Eleonora Iacorossi.

Participating restaurants in the initiative will display their logo on their booth, made at their own expense, and any used disposable material. The Embassy reserves the right to approve any graphics used by the restaurant. The venue reserves the right to check the compliance of equipment used by the restaurant, with particular reference to electrical equipment.

This notice consists of 1 page.
