The Italian Embassy in Manama intends to celebrate Made in Italy Day on April 2026 (to be determined) with events focusing on fashion, design, gastronomy, architecture and technology. The Embassy is seeking the collaboration of public and/or private bodies and/or operators who wish to promote Italian excellence in the above-mentioned sectors. Other sectors may be considered.

Interested parties are invited to submit to this Embassy **an expression of interest using the attached form**, indicating the elements useful to identify the proposer to the following email address: [commerciale.manama@esteri.it](mailto:commerciale.manama@esteri.it).
